Teacher (AWT) Training Module

Audience: Anganwadi Teachers — 1,161-strong field cadre

Duration: Half day (3 hours) incl. hands-on

Method: trainer demonstration on a phone + hands-on practice by every participant

Materials: Android phone with Chrome, printed QR poster, this module

Objectives — by the end, every participant can:

- Install the app from the QR poster and log in with a personal PIN
- Mark IN and OUT daily with photo and GPS
- Fill the complete daily centre report: counts, four photos, stock register
- Read their own record and the sync status
- Apply for leave from the app

Part 1 — Getting started

Lesson 1: Install the app (once per phone)

Official install QR

WHAT YOU SEE (OUTPUT)

- The official QR poster at your centre / sector office.

WHAT YOU ENTER (INPUT)

- Nothing — point the phone **camera** at the QR and tap the link that appears (choose Chrome if asked).

BUTTONS & OPTIONS

- A green ↓ **Install this app** button appears on the page — tap it, then tap **Install**.
- Older phones: Chrome menu : → **Add to Home screen**.
- The **Samridhi** icon appears on the home screen — always open the app from this icon.

💡 Install needs internet only this once. Daily marking works even with no network.

⚠️ Install **ONLY** by scanning the official poster — never from a forwarded link.

Lesson 2: First login

Shared-phone name picker

WHAT YOU SEE (OUTPUT)

- The login screen asks for the mobile number.
- On a shared centre phone, after LOGIN it asks “**Tap your name**” — both workers are listed.

WHAT YOU ENTER (INPUT)

- Your **10-digit mobile number** (as per the register).
- First time only: choose your own **4-digit PIN** and repeat it. The PIN is yours alone.

BUTTONS & OPTIONS

- **LOGIN** button (shows a spinner while checking — please wait a few seconds).
- Name buttons — tap **your own name** before pressing LOGIN again.

💡 Forgot PIN later? Call the district office for a reset, then set a new PIN at login.

Lesson 3: Welcome screen

10-second welcome

WHAT YOU SEE (OUTPUT)

- The Jangaon Collectorate photo, your name, and the mission line.

WHAT YOU ENTER (INPUT)

- Nothing to type on this screen.

BUTTONS & OPTIONS

- Tap anywhere to continue, or wait 10 seconds — it moves on by itself.

Lesson 4: Home screen

Home with pending report chip

WHAT YOU SEE (OUTPUT)

- Live clock and today's date.
- The big green **IN** button (turns orange **OUT** after morning).
- An amber chip: “**Daily report — fill before OUT**”.
- Your streak, month total, average IN time, and the last-7-days strip.
- Status boxes: Online/Offline, waiting-to-send count, last sync.

WHAT YOU ENTER (INPUT)

- Nothing to type on this screen.

BUTTONS & OPTIONS

- Big circle — mark attendance.
- Amber/green chip — open the daily report.
- Bottom bar — navigation.

Part 2 — Daily attendance

Lesson 5: Mark IN (every morning)

Camera with GPS line

WHAT YOU SEE (OUTPUT)

- Your own face in the camera with a white frame.
- The GPS line below turns green: **GPS OK**. If GPS is weak it says so — marking still works.

WHAT YOU ENTER (INPUT)

- Nothing to type — position your face inside the frame.

BUTTONS & OPTIONS

-  **TAP TO CAPTURE** — takes the photo and saves the mark.
-  button — switches front/back camera.
- **Cancel** — go back without marking.

💡 A green full-screen ✓ “IN attendance saved” confirms it. If offline, it is saved on the phone and sent automatically later.

⚠️ Never skip marking because GPS is weak — capture anyway; the system records it honestly.

Lesson 6: After IN / marking OUT

Home after IN

WHAT YOU SEE (OUTPUT)

- IN time appears in the chips; the big button now says **OUT**.

WHAT YOU ENTER (INPUT)

- Nothing to type on this screen.

BUTTONS & OPTIONS

- **OUT** — tap when leaving. If today's report is not yet filled, the app opens the report first.
- You may fill the report any time of day; OUT is not automatic after it.

⚠ OUT will not save until the daily report exists — fill it after lunch service, before leaving.

Part 3 — The daily centre report (Teacher's duty)

Lesson 7: Counts and four photos

GOVERNMENT OF TELANGANA · WD&CW JANGAON

- Four photo buttons — each turns green ✓ when its photo is taken.

WHAT YOU ENTER (INPUT)

- Type each count — **0 is allowed, blank is not.**
- Take each photo live: children, pregnant women, other beneficiaries, prepared meal.

BUTTONS & OPTIONS

- Each  button opens the camera (back camera by default — point at the subject).
- Tap a green ✓ button again to retake.

💡 Photos carry the place, time and your name burnt in — that is the official proof.

Lesson 8: Stock register

 Take meal photo (live, geo-tagged)

Stock register

Fill Opening, Used and Received for every item
— Closing is calculated automatically
(Opening + Received – Used).

Lesson 12: If your supervisor flags an issue

Issues on your home screen

WHAT YOU SEE (OUTPUT)

- A card appears on your Home: **Issues raised by your supervisor** — with the category (no report / incomplete report / quantity anomaly / not present / late / other) and the supervisor's note.
- It stays there until the matter is fully closed.

WHAT YOU ENTER (INPUT)

- After you fix the matter (submit the report, correct the stock, discuss with the supervisor), tap **Mark resolved** and type what you did (compulsory).

BUTTONS & OPTIONS

- Your remark goes to the supervisor, who confirms and closes it.
- Until confirmation it shows "Resolved — waiting for your supervisor to confirm".

💡 An issue is not a punishment — it is a to-do. Fix it, write what you did, done.

Lesson 13: The bottom bar (always available)

Home with bottom bar

WHAT YOU SEE (OUTPUT)

- 🏠 HOME — the marking screen.
- 📄 REPORT — daily report (Teachers only).
- 🕒 RECORD — your history.
