Helper (AWH) Training Module

Audience: Anganwadi Helpers

Duration: 2 hours incl. hands-on

Method: trainer demonstration on a phone + hands-on practice by every participant

Materials: Android phone with Chrome, printed QR poster, this module

Objectives — by the end, every participant can:

- Install the app or use the Teacher's phone via Switch user
- Log in with their own number and personal PIN
- Mark IN and OUT daily with photo and GPS
- Read their own record

Part 1 — Getting started

Lesson 1: Install the app (once per phone)

Official install QR

WHAT YOU SEE (OUTPUT)

- The official QR poster at your centre / sector office.

WHAT YOU ENTER (INPUT)

- Nothing — point the phone **camera** at the QR and tap the link that appears (choose Chrome if asked).

BUTTONS & OPTIONS

- A green ↓ **Install this app** button appears on the page — tap it, then tap **Install**.
- Older phones: Chrome menu : → **Add to Home screen**.
- The **Samridhi** icon appears on the home screen — always open the app from this icon.

💡 Install needs internet only this once. Daily marking works even with no network.

⚠️ Install **ONLY** by scanning the official poster — never from a forwarded link.

Lesson 2: Login on a shared phone

Login

MOBILE NUMBER

9999999902

LOGIN

Tap your name above, then press LOGIN.

Helper (AWH) without her own phone? Mark your attendance on the Teacher's (AWT) phone: after the AWT logs in, open **Switch user** → **+ Add another user** and login with your own number and PIN.

Forgot PIN? Call the district office to reset it, then login again and set a new PIN.

Tap your own name

WHAT YOU SEE (OUTPUT)

- If you use the Teacher's phone: after her login, open 👤 **USERS** → **+ Add another user**.
- The name picker lists both workers — tap **your own name**.

WHAT YOU ENTER (INPUT)

- Your own 10-digit number and your own 4-digit PIN (set once).

BUTTONS & OPTIONS

- **LOGIN**. Your marks always go under your own name — the PIN keeps it yours.

⚠️ Never mark under the Teacher's name. Each worker has her own PIN.

Lesson 3: Welcome screen

10-second welcome

WHAT YOU SEE (OUTPUT)

- The Jangaon Collectorate photo, your name, and the mission line.

WHAT YOU ENTER (INPUT)

- Nothing to type on this screen.

BUTTONS & OPTIONS

- Tap anywhere to continue, or wait 10 seconds — it moves on by itself.

Lesson 4: Your home screen

Helper home — no report chip

WHAT YOU SEE (OUTPUT)

- Same punch card and stats as the Teacher, but **no report chip** — the daily report is the Teacher's duty.

WHAT YOU ENTER (INPUT)

- Nothing to type on this screen.

BUTTONS & OPTIONS

- Big circle for IN/OUT; bottom bar for Record/Users/Menu.

Part 2 — Daily attendance

Lesson 5: Mark IN (every morning)

Camera with GPS line

WHAT YOU SEE (OUTPUT)

- Your own face in the camera with a white frame.
- The GPS line below turns green: **GPS OK**. If GPS is weak it says so — marking still works.

WHAT YOU ENTER (INPUT)

- Nothing to type — position your face inside the frame.

BUTTONS & OPTIONS

-  **TAP TO CAPTURE** — takes the photo and saves the mark.
-  button — switches front/back camera.
- **Cancel** — go back without marking.

💡 A green full-screen ✓ “IN attendance saved” confirms it. If offline, it is saved on the phone and sent automatically later.

⚠️ Never skip marking because GPS is weak — capture anyway; the system records it honestly.

Lesson 6: Mark OUT — no report needed

Helper day complete

WHAT YOU SEE (OUTPUT)

- OUT goes straight to the camera — Helpers are never asked for the report.

WHAT YOU ENTER (INPUT)

- Nothing to type on this screen.

BUTTONS & OPTIONS

- Tap **OUT**, capture, done — “Attendance complete for today”.

Lesson 7: My record (your own history)

My record with sent ✓

WHAT YOU SEE (OUTPUT)

- Each day's IN/OUT with time.
- **sent** ✓ = safely on the server; **waiting...** = still on the phone (needs network).

WHAT YOU ENTER (INPUT)

- Nothing to type on this screen.

BUTTONS & OPTIONS

- Open from the bottom bar: ⌚ **RECORD**.
- **Sync now** on Home forces sending when on network.

Lesson 8: The bottom bar (always available)

Home with bottom bar

WHAT YOU SEE (OUTPUT)

- HOME — the marking screen.
- REPORT — daily report (Teachers only).
- RECORD — your history.
- USERS — switch worker on a shared phone.
- MENU — leave application, logout.

WHAT YOU ENTER (INPUT)

- Nothing to type on this screen.

BUTTONS & OPTIONS

- Tap any icon to move — the current one is highlighted.

Practice checklist — tick each item per participant

- ☐ Installed or added on the shared phone
- ☐ Logged in under own name with own PIN
- ☐ Marked IN with photo
- ☐ Marked OUT directly
- ☐ Found own record and sent ✓
- ☐ Can switch back to the Teacher's account

Where to get help

Problem on the phone? Note the **BUILD number** (bottom of any screen), take a screenshot, and **connect with the EDM (e-District Manager) at the district office** through your supervisor.
